

Understanding Teacher Expectations

Use this survey to assess your teachers' views on your state's academic standards and students' readiness to meet those standards, and to capture their feedback on supports they need to implement the standards.

Our State's Academic Standards

The following questions ask you to reflect briefly on our state's academic content standards. Select the answer that best represents how you feel in response to the listed question.

Teaching and learning that is aligned to our state's standards prepares students for their future.	Strongly disagree	Disagree	Somewhat disagree	Somewhat agree	Agree	Strongly agree
Teaching and learning that is aligned to our state's standards provides students with valuable lifelong skills.	Strongly disagree	Disagree	Somewhat disagree	Somewhat agree	Agree	Strongly agree
Students are overburdened by the demands of our state's standards.	Strongly disagree	Disagree	Somewhat disagree	Somewhat agree	Agree	Strongly agree
Our state's standards reflect my beliefs about the content students should be focusing on.	Strongly disagree	Disagree	Somewhat disagree	Somewhat agree	Agree	Strongly agree
My students need something different than what is outlined in our state's standards.	Strongly disagree	Disagree	Somewhat disagree	Somewhat agree	Agree	Strongly agree
Our state's standards are too challenging for my students.	Strongly disagree	Disagree	Somewhat disagree	Somewhat agree	Agree	Strongly agree
The standards make it difficult for students to learn basic skills in my subject.	Strongly disagree	Disagree	Somewhat disagree	Somewhat agree	Agree	Strongly agree
Teaching and learning that is aligned to our state's standards gives students a deep understanding of the subject area.	Strongly disagree	Disagree	Somewhat disagree	Somewhat agree	Agree	Strongly agree

Additional Supports

The following questions ask you to share feedback on additional supports you'd like to see so that you can improve your ability to support all of your students. Select the answer that best represents how you feel in response to the listed question.

I need more support in building a positive learning community in which all students feel valued as learners.	Strongly disagree	Disagree	Somewhat disagree	Somewhat agree	Agree	Strongly agree
I need more support in providing students an opportunity to engage with challenging academic content.	Strongly disagree	Disagree	Somewhat disagree	Somewhat agree	Agree	Strongly agree
I need more support in identifying instructional materials that allow my students to see themselves reflected in what we're learning.	Strongly disagree	Disagree	Somewhat disagree	Somewhat agree	Agree	Strongly agree
I need more support in building supportive relationships with individual students.	Strongly disagree	Disagree	Somewhat disagree	Somewhat agree	Agree	Strongly agree
I need more support in building productive relationships with my students' families.	Strongly disagree	Disagree	Somewhat disagree	Somewhat agree	Agree	Strongly agree
I need more support in supporting all my students to meet the demands of grade-level state standards.	Strongly disagree	Disagree	Somewhat disagree	Somewhat agree	Agree	Strongly agree
